

Weekly Report

2018.1.1 - 2018.1.7

Zhou Shuyue

Practices

- ☒ Make the linechart scalable and refreshable
- ☒ Fix the bug that 2 schedule bars together worked abnormally
- ☒ Remove the animation of barchart so that it can be more intuitive
- ☒ Keep learning and practicing the combination of React + Express

Future Work

- ☐ Keep working on the system
- ☐ Try to transmit data between the front-end and back-end under the framework of React + Express
- ☐ Read paper 《Scatterplots: Tasks, Data, and Designs》
